

A background network diagram consisting of various sized grey circles (nodes) connected by thin grey lines (edges). Some nodes are solid, while others are dashed. The network is spread across the entire page, with a higher density of nodes in the center.

10th Be Basque Talent Conference

Munich - 11 November, 2017

 **Bizkaia**
talent

The **10th Be Basque Talent Conference** aimed at highly qualified professionals and Basque organisations will take place on **11.11.2017** in **Munich**.

WHO WE ARE

Bizkaia Talent, non-profit-making Association, promoted by the Territorial and Economic Development Department of the County Council of Biscay, has the mission of impelling and fostering the conditions and processes for retaining, attracting and involving highly skilled professionals.

PROFESSIONAL NETWORKING SERVICE

Within the *Professional Networking Service*, Bizkaia Talent organises professional networking meetings worldwide that bring highly-skilled professionals working in strategic fields closer to the Basque business, science and technology community.

The various types of meetings we organize are supported by Basque organizations in the public, private and academic spheres and generate business, scientific and technological networking, which not only promotes mobility and talent flow but also backs economic growth in our region.

BE BASQUE TALENT CONFERENCES

Be Basque Talent Conferences are held throughout one day and offers:

- to find out about the current and future local socio-economic and scientific- technological situation
- to discuss about talent mobility matters
- to participate in themed workshops
- personal conversations with representatives from the various Basque organizations attending the event.

Likewise, Basque organizations have a unique opportunity to meet people with high-level technical skills and capacities and extensive international experience. They will provide firsthand information about the current and future situation of their business and the development and professional career opportunities they offer.

All in all, the meeting provides the opportunity to establish high added value professional links in an informal atmosphere.

10TH BE BASQUE TALENT CONFERENCE

MUNICH, 11 NOVEMBER, 2017

One part of the programme is specially aimed at professionals in the sphere of engineering.

In addition to this, the Conference will have a parallel programme for highly qualified professionals operating in various sectors.

WHAT WILL YOU FIND?

- Basque organizations seeking to present their projects and highly qualified professionals looking for attractive collaboration opportunities.
- An innovative open discussion forum that will allow attendants to share their opinions.
- Job interviews and themed workshops.
- A collaborative and high added value professional network.

PREVIOUS CONFERENCES

“ Almost 380 professionals and 38 companies have already participated in the *Be Basque Talent Conferences* which Bizkaia Talent has organized so far (Munich 2008, Barcelona, Stuttgart, Hannover, Toulouse, Amsterdam, Dublin, London and Hamburg).

The business and work collaborations which have arisen from these events, as well as the interesting contact network which has been established, have contributed to the high levels of satisfaction of all participants”.
