

Bizkaia:talent, Euraxess Local Contact Point in the Basque Country (Spain), organises some activities for Researchers in order to foster interpersonal relationships among its users. Researchers from different areas and sectors meet through these leisure activities. Apart from that, the new Bilbao BBK House for hosting researchers support our activities, and we have started cooperating in the organisation of different events and activities.

"CHRISTMAS & BASQUE MITHOLOGY: IZENADUBA BASOA"

Last Christmas, researchers and their families had a Basque evening meal, tasting typical products, and visiting the Mythology Park IZENADUBA where Olentzero's House is. (Basque Mythology Character who brings presents to the children at Christmas). This Basque Mythology Park took them to a magic world where the child is the major figure. They met mythology characters and saw Landetxo, the eldest Basque House (caserío) in the Basque Country which shows the oak architecture of the 16th Century.
