

## **Gipuzkoa Talent makes its debut with a guided tour and “pintxos” in San Sebastian**

A group of twenty foreign professionals inaugurated Gipuzkoa Talent with a sociocultural event

*September 2018.* On the 22<sup>nd</sup> September a group of twenty highly qualified foreign professionals took part in the sociocultural event organized by Gipuzkoa Talent aimed at fostering professional and interpersonal relationships and helping the integration process.

The participants come from numerous different countries such as Brazil, the United Kingdom, Italy, France, Mexico, Holland and Russia as well as from different parts of the Spanish State such as Albacete. They are currently carrying out their professional activities in companies such as BCBL, CAF, Nem Solutions, Polymat and Pernod-Ricard amongst others.

In the morning, they had a guided tour of the old part and neighbouring districts of the city accompanied by a historian and they ended up the morning with a visit to the San Telmo Museum. After going round the museum they tasted “pintxos” in the old quarter of the city.
